

Registering an iSportsman Account and Purchasing Fishing and Hunting Permits

- Step 1.** Go to usafa.isportsman.net
- Step 2.** Click the **Login/Register** tab and select **Register**.
- Step 3.** Create a **Username and Password**. If paying for other family members or a guest, you will need to **create a unique account for each person**.
- Step 4.** Fill out the registration questions. **Fishermen:** The type of fishing permits available to you will depend on the Customer Type selected. See the USAFA iSportsman Fishing page for details concerning permit eligibility. **Hunters:** If you do not have a DoD affiliation and identification card, use **Sponsored Guest** as your customer type when registering.
- If you select the wrong customer type, only Natural Resources can reset this information for your account.
- Step 5.** After completing the registration process, you will see a page with an **Acquire Permit(s)** button. Click the button to view the hunting and fishing permits currently available for the Customer Type you selected.
- Step 6.** **Important:** Read the permit description, requirements, and restrictions before clicking **Add to Cart**. We are unable to provide a refund once the credit card transaction is processed.
- Step 7.** Click **View Cart & Checkout** to review the fees and permits selected.
- Step 8.** Click **Checkout**.
- Step 9.** Click **Confirm** your order.
- Step 10.** At the **Order Complete** screen, print your **permit** and **receipt**. A printed permit, photograph, or pdf are all valid forms of proof of permit compliance.

If you misplace your permit, login to iSportsman to see all valid permits and simply reprint.

Write down your username and password to speed up permitting next season.
